

STEP BY STEP GUIDE FOR CHANGELLY

Changelly supports a wide variety of cryptocurrencies and has super low exchange fees. Deposits are made simple through a single-step process where you use your card to buy and immediately send Bitcoin to fund your Americas Cardroom account.

IMPORTANT! Changelly can be used for depositing to your Americas Cardroom account but cannot be used for withdrawals. For making withdrawals, we recommend using a different exchange wallet such as Edge App, Coinbase, CEX.IO, or Bitstamp.

This guide covers:

1. CREATING YOUR CHANGELLY ACCOUNT
2. BUYING BITCOIN AND DEPOSITING TO AMERICAS CARDROOM
